About us

Lemonade Designs commenced its journey in 2015 as the one-stop solution for designing and developing Exhibition Stalls, German Hangar Tents, Metal Fabrication, Corporate Interior and many other such mega activities. With our in-house production facilities in Mumbai, Bangalore, Chennai, Kolkata, Hyderabad, & Delhi and years of experience of our expert engineers, managers, and technicians.

We have been successfully delivering premium quality services across 22 cities in India. The comprehensive solution facilities of our services extended globally in UAE (in-house production setup), Europe, USA, and China along with PAN India, enable us to become the most trusted and leading brand in this highly competitive industry.

Our in-house team of around 25 professionals make us what we are today. They come from diverse backgrounds, cultures, and professions, each specializing in their area of expertise. Team Lemonade includes proficient strategists, creative artists, producers, engineers, and technicians who bring an uncompromising passion for detail and precision, that transform brilliant ideas and know-how into world-class business spaces as per our client's requirement and choice. This gives us a unique edge & a definite promise to give our clients the best of the bests in all areas and enhance their authority in their respective domain. As one of the best service providers for German Hangar Tents, Exhibition Stalls, Corporate Interiors, Metal Fabrication, etc. We have served more than 200 happy clients in innumerable cities across the continents and are dedicated to offering our best to exceed the expectations of our clients at every step of the way
